

# Pakistan Agricultural Research Council

## Sale of Seed Potatoes (Pre-Basic I & Pre-Basic II) produced under PSDP funded project “Commercialization of Potato Tissue Culture Technology in Pakistan”

Pakistan Agricultural Research Council (PARC)-National Agricultural Research Centre (NARC) is working on healthy seed potato production through tissue culture. Limited quantity of seed potatoes of Pre-Basic-I and II of Lady Rosetta variety, certified by FSCRD, is available for autumn 2023 plantation. Interested progressive farmers and seed companies may contact for seed on following terms and conditions within seven (07) days of this advertisement:

1. Minimum sale price for Pre Basic-I= Rs.250/kg (25 kg bag).
2. Minimum sale price for Pre Basic-II= Rs. 200/kg(25kg bag).
3. Qualifying farmers/companies will multiply it up to Basic-II level and will follow the instructions of NARC and FSC&RD to ensure healthy and quality seed potatoes availability to growers.
4. Applications for seed having all information including previous experience should reach to Director NIGAB, NARC, Park Road, Islamabad on or before **19<sup>th</sup> September 2023**. Applications can also be sent through e-mail to: **s.ali@parc.gov.pk, kazim76@gmail.com , iqbal\_abi@yahoo.com**
5. Seed potatoes committee constituted by Charmian PARC will finalize the applicants and it has the right to accept or reject any application without assigning any reason.
